Gordon Bitney : Provence Je t'aime before purchasing it in order to gage whether or not it would be worth my time, and all praised Provence Je t'aime:

0 of 0 people found the following review helpful. DelightfulBy HenriThe perfect book for the francophile dreaming of retirement in Provence. Although I have a limited experience of the region, i was able to reconnect with many of the places described like Aix en Provence and Isle sur la Sorgue where the antiques market over week-ends is not to be missed. Highly recommended.8 of 8 people found the following review helpful. Armchair Travelers Will ApproveBy Janey BennettProvence je t'aime gives the reader a chance to experience what it would be like to move to southern

France and settle in to life in a different culture without actually going through the hard work of doing it. Gordon Bitney's experiences are maybe not as raucous as those recent memoirs of naïve Anglos landing amidst wily French or Italian or Greek country folk. He writes respectfully about his new neighbours and his on-site lessons into the foods and wines of the region are really interesting. If you have always dreamed of moving to Provence, but you know that it's not likely to happen any time soon, *Provence je t'aime* may satisfy the dream until your chance comes along. 0 of 0 people found the following review helpful. Wasn't as good as others of the genre By Customer Wasn't as good as others of the genre.

Gordon Bitney brings you an unforgettable taste of French cuisine and culture with his lively narrative, *Provence, Je t'aime*, based on his experiences as a North American in Southern France. He and his wife encounter all the delightful adventures one would expect, and a few surprises! Readers will follow the adventures of Gordon and Marie H  l  ne Bitney as they purchase a villa in Provence and exchange their hectic, urban existence for a tranquil, rural lifestyle. In a single plane flight to France the cobwebs of routine were gone and the rich challenge of another culture took over their days. More than a memoir, this detailed account describes the food, the wine and the ambiance of life among the vineyards and olive orchards. The vivid description is supported by evocative pen and ink illustrations that captivate the imagination of the reader as Gordon conveys his love for the region in *Provence, Je t'aime*.

About the Author Gordon Bitney spent thirty years practicing law in Vancouver, Canada until he retired. He and his wife bought a villa in Provence and divided their time between there and Vancouver with their cats. The way of life in the village of Nyons inspired this book.
