From Nouvelles Editions de l'Universite : Provence: The Local Guide to the Best of France (Petit Fute) before purchasing it in order to gage whether or not it would be worth my time, and all praised Provence: The Local Guide to

the Best of France (Petit Fute):

A regional guide on where to stay at varying prices, the sights to see, the right cafes and bars to frequent, the markets, boutiques, the night-clubs and shows. All the information is provided by French travel journalists who live in the region.
