Tina Cohen : Puerto Rico Off the Beaten Path, 3rd: A Guide to Unique Places (Off the Beaten Path Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Puerto Rico Off the Beaten Path, 3rd: A Guide to Unique Places (Off the Beaten Path Series):

10 of 10 people found the following review helpful. Great Motivation to Explore MoreBy A CustomerNoticing this

book was a recent guide to Puerto Rico written by a woman, my wife insisted on buying it. We both enjoyed reading it for its combination of listings and colorful background notes. It makes you realize there is an island and culture worth exploring. We liked the descriptions that helped us better understand the way of life and why things are what they are. We decided to stay at smaller hotels where we heard Spanish and could eat local food. It let us appreciate what a fascinating and friendly place the island is. This book really did encourage us to get "off the beaten path."7 of 7 people found the following review helpful. Pretty good book, but not all that uniqueBy JenniferThe most helpful thing about this book was the lists of places to stay at the end of every region-discussion. Other than that, "Explore Puerto Rico, 5th Edition" had almost all the same sites activities listed. For the sake of traveling lightly, we ended up not even bringing "Off the Beaten Path" with us, relying instead on "Explore Puerto Rico" (which has its own issues, see my review on that page for details).

Discover the hidden charms of la isla del encanto, "the enchanted island," from rooftop restaurants and colonial architecture in Old San Juan to roadside barbecued chicken stands and the beaches along the slower-paced southern coast. Outdoor adventures and city explorations are all covered in this in-depth guide for adventurous travelers.

". . . explores the places that make Puerto Rico unique." --Chicago Tribune (praise for a previous edition)
