Sören Kierkegaard : Purity of Heart Is to Will One Thing before purchasing it in order to gage whether or not it would be worth my time, and all praised Purity of Heart Is to Will One Thing:

1 of 1 people found the following review helpful. Important and life-changingBy CustomerThe ideas expressed by Kierkegaard in this book are important and life-changing for anyone who will apply them to their life.1 of 1 people found the following review helpful. Game Theory MasterBy James MyersBefore "game theory" had any footing in Western culture K presented the best case, which still holds, concerning the games played in internal conversations

concerning the "double mindedness" of human beings. A must read for those who explore inner space. And, as K advises, read it aloud, so you can here in your own tone of voice your efforts spin the case. 0 of 0 people found the following review helpful. Five Stars By RCLloyd An excellent book from a remarkable thinker.

Father in heaven! What is a man without Thee! What is all that he knows, vast accumulation though it be, but a chipped fragment if he does not know Thee! What is all his striving, could it even encompass a world, but a half-finished work if he does not know Thee: Thee the One, who art one thing and who art all!

From the Back Cover "To read this book with care is to know oneself pursued by 'The Hound of Heaven.' 'Purity of Heart' is one of many books in which Kierkegaard sought to rescue the individual from 'massification' by compelling him to stand alone before God." Howard A. Johnson in *The of Religion* About the Author Søren Kierkegaard (1813–1855) lived in Copenhagen, Denmark. His books include *Works of Love* and *Spiritual Writings* (translated and edited by George Pattison).
