Craig J. MacIntosh, Mary Murray Bosrock : Put Your Best Foot Forward Russia: A Fearless Guide to International Communication Behavior (Put Your Best Foot Forward Bk. 4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Put Your Best Foot Forward Russia: A Fearless Guide to International Communication Behavior (Put Your Best Foot Forward Bk. 4):

0 of 0 people found the following review helpful. Thank YouBy PaulxPaulxItem as described, thank you for your services.0 of 0 people found the following review helpful. International mannersBy Janet CherryI like the style. Good information. Great reference for international manners.12 of 14 people found the following review helpful. The book puts an awkward foot forwardBy A CustomerAlthough this book discusses many important aspects of Russian culture, I felt that it focused a bit too much on bussines. Many of us, like myself, would be visiting Russia not for bussines, rather as tourists. However, some of her remarks did offer some excelent advice about greeting people, eating, and Russian manners. Most topics though seemed a bit too glazed over. I wished that the author would have further discussed many points in her book. Overall, it's a good book to start with. Read it and you will find a taste of what Russian manners are like. Although I would strongly recomend doing further research. Try to find a book that is more current. This book was first published in 1995, many aspects of Russian culture have changed since then.

Intended to give Western businesspeople the cultural background and communication skills they need to interact effectively with Russians and to establish the relationships that are the basis of doing business in Russia. Indispensable information for leisure travelers, students, and hospitality workers as well as businesspeople. Topics covered include Meeting and Greeting, Names and Titles, Corporate Culture, and Especially for Women. Put Your Best Foot Forward-Russia is equally helpful for leisure travelers, students, teachers, people in the travel and hospitality industry, and hosts who entertain international guests.
