Siobhan Wall, Cristina Peralta : Quiet Barcelona before purchasing it in order to gage whether or not it would be worth my time, and all praised Quiet Barcelona:

Quiet Barcelona is the next in a series committed to discovering quiet, intimate places in busiest cities in the world. Designed for both visitors and locals to enjoy, readers will find places off the beaten track, explore enticing museums, and enjoy peaceful gardens. Barcelona is a bustling city, but with a little guidance, explorers will find quiet places to relax, recuperate, have coffee and cake, and unwind. Quiet Barcelona includes 120 places to meet, drink, dine, sleep, read, or wander, each with an evocative photograph and short description.
