Try "food and Drink" too. You 'll be in for English treats that you won't find amidst the big city hustle and bustle!

London is an exciting, vibrant and often noisy city but this busy metropolis also has a quiet side. Siobhan Wall encourages Londoners and visitors to the capital to wander away from the crowds and discover calm amid the hustle

and bustle. This is a guide to over 100 quiet places to enjoy the art and culture that London has on offer, from small museums and light-filled galleries to hushed libraries, characterful bookshops and places to find beautifully designed, handcrafted objects. With evocative photographs and a short description for each location, including travel, access and contact details, *Quiet London: Culture* reveals hidden, tranquil places in one of the world's liveliest cities.

"What we love most about Wall's books is Wall's taste ... her selection of places is just wonderful. These are books that will entice even the weariest Londoner to fall in love with our city all over again"
