Rand McNally and Company : Rand McNally Prague Cityflash Vistor Map (Rand McNally Cityflash Visitor Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Prague Cityflash Vistor Map (Rand McNally Cityflash Visitor Maps):

Detail, clarity, and ease of use are key features for this Hallwag city map of Prague. The street detail on these maps is extensive. Roads are clearly marked, from superhighways to back alleys. Specialty transportation systems are noted and often included as a separate inset map such as subway maps and trolley routes. Expanded detail maps of major interest areas or downtowns are standard, as are metro overviews that show information for the surrounding suburbs and smaller towns. Fully indexed and use of multiple language make Hallwag a premier choice for travelers.
