PIERS VITEBSKY : Reindeer People before purchasing it in order to gage whether or not it would be worth my time, and all praised Reindeer People:

2 of 2 people found the following review helpful. The Reindeer People / Piers Vitebsky By Dr. Rosemarie C. Russo This book provides a fascinating look into the lives of a nomadic peoples of Siberia who have lived by reindeer herding for generations. It provides insights into an area of the world that few know anything about, and the relationship between the people and between them and their herds is insightful. Their lives during Soviet times and the

changes after perestroika are especially interesting. 2 of 2 people found the following review helpful. more Siberian info
