Erryl Tudor : Relocating to London before purchasing it in order to gage whether or not it would be worth my time, and all praised Relocating to London:

3 of 3 people found the following review helpful. A "Must Have" if you are moving to LondonBy C.M.We are in the process of moving to London from the States and found this book so helpful. There are short concise sections on the relocation process, transportation, and accommodations. Being in the process of relocating I appreciated the brevity of the sections - it was just what I needed to know. Of particular help were tips like - don't look for a flat on Mondays,

internet grocery shopping options, and suggestions on places to get furniture. There is also a section that describes practical information on the rental contract, landlord obligations, insurance, utilities and the council tax that was helpful in getting prepared.
