**Keith Brockie : Return to One Man's Island: Paintings and Sketches from the Isle of May** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Return to One Man's Island: Paintings and Sketches from the Isle of May:

Featuring an entirely new set of drawings and paintings, this artful nature exploration combines breathtaking wildlife images with notes and background information regarding the Isle of May, a little gem of an island in the Firth of Forth, Scotland. With an eye for color and characteristic attention to detail, artist Keith Brockie mixes depictions of the majestic peregrine and white-tailed eagle with sketches of fluffy eider ducklings and kittiwake chicks. All the natural

history of the island is represented, from its delicate maritime flowers to fish, crabs, and lobsters.
