Rick Steves : Rick Steves Best of Italy before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves Best of Italy:

3 of 3 people found the following review helpful. The students love the color photos and the organization of the book By David Damm This is just what we needed for our trip to Italy. It hits all the highlights, without the parts of

Italy we are not interested in. The students love the color photos and the organization of the book.0 of 0 people found the following review helpful. Don't go to Italy without it!By LFleegsRick Steves does an excellent job with tips on transportation, places to stay, places to eat, how to avoid standing in long lines at attractions. Our 9-day trip to Italy was definitely a success due to having this book with us. It helped us to plan our own trip with confidence, do what WE wanted to do, not just follow a tour, it was indispensable to us. Thank you, Rick, for a job well done, I already bought the Best of England. Ok to prepare for our next trip!0 of 0 people found the following review helpful. Always trust Rick Steves on travel advice!By Just my opinionAlways trust Rick Steves on travel advice. Another good, well written travel advice. I would have given it 5 stars but doesn't include all of Italy so didn't have all the information we were looking for, but will definitely use the suggestions of areas that were included in the book. "Addio"

Colorful Rick Steves Pocket guidebooks to Rome, Florence, and Venice are perfect when you have a week or less. Pocket guides include fold-out city maps.

About the AuthorSince 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie.Connect with Rick:facebook.com/RickStevestwitter: @RickStevesinstagram: ricksteveseurope
