**Perseus : Rick Steves' Britain, Ireland and London City Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' Britain, Ireland and London City Map:

Designed specifically for Rick's travel audience (or users) these maps highlight choice destinations throughout Britain and Ireland in a colorful, easy-to-use format on high-quality paper that lasts over many trips:

- Cuts the Clutter: While big cities are left for navigational purposes, this map is otherwise stripped clean and filled in only with places that matter to travelers.
- Guidebook-Friendly: At a glance, all the places you read about in Rick's Britain, Ireland and London guidebooks pop right out in a crisp, easy-to-read format.
- Rail or Road: Includes important train lines and highways (and ferry routes) for easy route-planning, no matter how you'll get around.
- The Back's Even Better: The reverse side includes a colorful, detailed heart of London map, locating sights, hotels and restaurants from Rick's London guidebook. A handy London Tube map, too!
