Rick Steves : Rick Steves' England 2010 before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' England 2010:

0 of 0 people found the following review helpful. Great book!By T. MurphyPlanning a trip to England and decided to try this book. We have been going over another book previously and am glad we purchased this one also. Rick Steves book is well written, researched and organized so that finding what you need is no problem. Appreciate the personal commentary he injects with his years of travel experience to help us decide what is worth seeing and what we can skip. The only mistake I made was not ordering the Great Britain version as we are also planning on going to Wales on our trip. I didn't realize it wasn't included in this version. Love that he updates yearly so the costs and info. is current. Great buy! Decided to order his europe dvds because we were so impressed with the guide.0 of 0 people found the following review helpful. Very HelpfulBy HH DameOur family of 13 just returned from England and found this book very helpful. Our ages were from 77 to a one year old. We had lived in England and know it fairly well but the insider information was very helpful. Our trip to Bath was greatly aided by his descriptions. All the information was very accessible and easy to read.His tours of London were excellent. I only wished for more descriptions of more villages in England.2 of 2 people found the following review helpful. Nice bookBy JI brought this book on a recent trip to England. It is packed full of information. I mostly used it in Chipping Campden and Bath. I ripped pages right out of it to carry with me since it is just a bit too big to walk around a city with. Helpful drawn maps, restaurants, BBs, all with reviews, hours, cost, etc.

You can count on Rick Steves to tell you what you really need to know when traveling in England.In this guide, you'll find a mix of splendid cities, ever so quaint villages, historic ports, and seaside resorts. Visit the manors, museums, cathedrals, and castles that preserve England's history. Explore the scenic bays of Cornwall, hike the wild moors of Dartmoor, and discover why the Lake District is Londoners' favorite playground. Travel back in time at Stonehenge, tour the remnants of the Roman Empire along Hadrian's Wall, and see the ancient baths in the city of Bath. After a bustling day of sightseeing, relax at a neighborhood pub, sharing a chat and a pint with a friendly local.Rick's candid, humorous advice will guide you to good-value hotels and restaurants. You'll learn how to get around England by train, bus, or car, and discover which sights are worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.
