Rick Steves : Rick Steves' Germany and Austria 2007 before purchasing it in order to gage whether or not it would

be worth my time, and all praised Rick Steves' Germany and Austria 2007:

0 of 0 people found the following review helpful. Really bad book, very little usefull informationBy Horacio M. MillánReally bad book, very little usefull information, though I think it can be good for people who is not really very interested in the place, or want good or insightfull and complete information of the place. It is the kind of guide that could use an old person who won't walk too much, or ask too much or interest too much. Not for the educated traveller.0 of 0 people found the following review helpful. I love Rick Steve's travel books!By C. A. DuffyThis book was great, I took a trip to both Germany and Austria and it was super helpful. There were even a few secret places I discovered by going on some of the walks Rick recommends, places where there weren't any tourists. It is an excellent book if you are a budget traveler OR have a bit more money to spare.0 of 0 people found the following review helpful. Oh! to be in the AlpsBy Dottie BizI bought this book as a gift for a daughter who was anticipating a trip to central Europe.Before I gave it to her, I read through it, and saw it kept facts concise and right. I havebeen there and know that Rick writes like a real traveler.

Who but Rick Steves can tell travelers how to take the Do-It-Yourself Dresden Baroque Blitz Tour or the Short and Scenic Black Forest Joyride? With Rick Steves' Germany and Austria 2007, travelers can experience Rick's favorite destinations in Munich, Bavaria, Baden-Baden, Rothenburg, Würzburg, Frankfurt, the Rhine Valley, Dresden, Berlin, Vienna, the Danube Valley, Salzburg, Innsbruck – economically and hassle-free. Completely revised and updated, Rick Steves' Germany and Austria 2007 includes:

- Opinionated coverage of both famous and lesser-known sights
- Friendly places to eat and sleep
- Suggested day plans
- Walking tours and trip itineraries
- Clear instructions for smooth travel anywhere by car, train, or foot

America's #1 authority on travel to Europe, Rick's time-tested recommendations for safe and enjoyable travel in Europe have been used by millions of Americans in search of their own unique European travel experience.

Steves preaches a low-cost, low-to-the-ground style that not only saves money, but gets you closer to the real Europe, the way Europeans experience it.
