From Brand : Rick Steves' Germany and Scandinavia DVD 2000-2007 (Rick Steves) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' Germany and Scandinavia DVD 2000-2007 (Rick Steves):

This is the only DVD that includes all seven half-hour 'Rick Steves' Europe' TV shows on Germany and Scandinavia, produced from 2000 to 2007: Munich and the Foothills of the Alps; Germany's Romantic Rhine and

Rothenburg; Germany's Black Forest and Cologne; Berlin?Resilient, Reunited and Reborn; Copenhagen and Aero; Oslo, Bergen and the Fjords; and Stockholm and Helsinki. The running time is three hours and 30 minutes. Filmed on location by America's most popular travel guidebook writer, Rick Steves' DVDs offer one great escape after another, from Europe's most thrilling cities to its charming, little-known villages. These DVDs are of the highest broadcast quality (NTSC format, all region compatible), with closed-captioning. Each DVD is packaged in a durable Amaray case with on-location cover photos and complete program details.
