**Rick Steves : Rick Steves' Germany, Austria Switzerland** before purchasing it in order to gage whether or not it

would be worth my time, and all praised Rick Steves' Germany, Austria Switzerland:

Rick Steves does more than just list where to travel in Europe; he gives travelers inside information on what to visit, where to stay, and how to get there--economically and hassle-free. Travelers can delve into European culture, make friends with the locals, and experience everything Europe has to offer.
