**Rick Steves : Rick Steves' Italy 2014** before purchasing it in order to gage whether or not it would be worth my

time, and all praised Rick Steves' Italy 2014:

You can count on Rick Steves to tell you what you really need to know when traveling in Italy. From the beaches to the Alps, from fine art to fine pasta, Italy has it all. With this book, you'll trace Italian culture from Rome's Colosseum to Michelangelo's David to the bustling elegance of Milan. Experience the art-drenched cities of Venice and Florence, explore the ancient ruins of the Roman Forum, and learn how to avoid the lines at the most popular museums. Discover the villages of Tuscany and Umbria and the lazy rhythms of the Cinque Terre. Shop at local market stalls, sip a cappuccino at an outdoor café, and pick up a picnic lunch at an alimentari. Relax and enjoy the life of Bella Italia! Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.
