Someday, when budget permits, I will visit these places featured in this video. For now I will enjoy watching this over and over again. Wise choice!2 of 2 people found the following review helpful. Informative and beautifully filmed DVDBy AAn excellent tour of Italy, definitely worth owning and watching before you go to Italy. Though the DVD spans 2000-2009, it feels very up to date and shows the classic tour areas to see in Italy as well as those off the beaten path.0 of 0 people found the following review helpful. I brought this to relive my trip to Italy 2 ...By Iris RiveraI brought this to relive my trip to Italy 2 years ago, but some of the episodes will not play properly and I cannot return it now.
