Rick Steves, Gene Openshaw : Rick Steves' Pocket Amsterdam before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' Pocket Amsterdam:

We have had some interesting experiences ... in one case, we were in Florence and sat at a window table to eat. We placed Rick Steves' book on the table. Tourists walking by noticed the book and came in ... as if "If Rick Steves recommends this place it must be good!" On another trip, we used Rick Steves' ROME to find a place to stay and transportation from Rome to the port. Excellent information. Affordable lodging. Great driver to and from the port. And then, to top it off, Rick Steves just happened to be on the same cruise! Needless to say, when we were ready to visit Amsterdam for the first time, we

purchased a copy of his pocket guide. Excellent every step (literally ... STEP) of the way! Amsterdam is a great place to visit, very tourist friendly, and incredibly easy to get around with Rick Steves' guidance. 10 of 10 people found the following review helpful. Unique, Helpful Organization By Orchid This book was an excellent complement to a lengthy travel guide. It had the promised small fold up maps and easy to find data. I was surprised that it also contained some very interesting facts about the Dutch artists and history. I reread it again after touring the magnificent museums in Amsterdam. I definitely recommend this book to anyone planning a trip to Amsterdam. 14 of 14 people found the following review helpful. Good for quick trip to Amsterdam. By Bridget B.
