Rick Steves, Gene Openshaw : Rick Steves Pocket Florence before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rick Steves Pocket Florence:

Pocket sized (so you can take with you each day) and crammed with useful maps and information By Tracy We bought three of these books for our trip to Italy (one for Rome, one for Venice and one for Florence). All 3 were fantastic. They have all the key information needed (and maps and walking guides) but were small enough to take with us each day. We also downloaded the free audio guides for some of the museums (and listened to them as we did the tours) - they were worth the cost of the book alone! We will use these books for all future trips - the format and the writing really works for us. 1 of 1 people found the following review helpful. We had a great time due to this book By MW We had a great time due to this book. It lists all of the specifics: times to go, prices, how to get there, if most like it, and history. 1 of 1 people found the following review helpful. Great

About the Author Gene Openshaw is a writer, composer, tour guide, and lecturer on art and history. Specializing in writing walking tours of Europe's cultural sights, Gene has coauthored 10 of Rick's books and contributes to Rick's public television series. As a composer, Gene has written a full-length opera (Matter), a violin sonata, and dozens of songs. He lives near Seattle with his daughter, and roots for the Mariners in good times and bad. Since 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie.
