Rick Steves : Rick Steves Pocket Munich Salzburg before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rick Steves Pocket Munich Salzburg:

4 of 4 people found the following review helpful. Four Stars By J. W. Walking tour of Munich good. Only a few confusing parts. Trip to Neuschwanstein good. Did not use rest. 2 of 2 people found the following review helpful. Must have book By Jackie Moyer Had my first trip over to Europe and got this book to help with our trip. This had everything you needed to know. Having no experience in how to use public transportation, it shared where the stations were, how to get to places and what type of ticket you needed. Also, extra information on sites that made me into a tour guide for my family. This is a must-have book to keep with you during your trip! 0 of 0 people found the following review helpful. Travel Away By Puzzle Girl Always enjoy his renditions with the down to earth comments interspersed with his guides. I have all of his Italy pocket guides that pertain to a trip I am making next year. Wish I

had found his books years ago (if he was doing them when I traveled a lot) I really recommend these over the standard ones.
