Listening to Rick Steves' audio tracks through his app (I found out about them from this guide) are also really helpful (you can download them at home and be off-line while listening). 3 of 3 people found the following review helpful. I traveled extensively throughout this wonderful city and the book came in handy By Bianca Lamers What can I say other than buy the book. I traveled extensively throughout this wonderful city and the book came in handy. I never been to a cleaner nicer big city than Vienna. It's definitely a must travel to destination. 6 of 6 people found the following review helpful. Compact but Lacking By JWN Nice small size but lacks too much info.
