**Rick Steves : Rick Steves Portugal** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rick Steves Portugal:

0 of 0 people found the following review helpful. Rick Steves Really Knows What's UpBy SergioI very much like Rick Steves travel books, and this is no exception. The table of contents is laid out in a very easy-to-navigate fashion, ensuring easy access to whatever information you may be seeking. His chapters are complete, giving just enough detail to help navigate in your travels, but not so little it's useless or so much you feel saturated with pointless knowledge.Since I'm doing multiple European countries at once, I really like having this and the other travel books on my Kindle.0 of 0 people found the following review helpful. Great guide even for the nativesBy F. LopesGreat help on wife's trip to Portugal. Even though my mom is a native Rick Steve's book proved invaluable while travelling the countryside and looking for lodging. Great tips and sightseeing ideas.0 of 0 people found the following review helpful. Consistently excellent travel books; Portugal is no exception.By Steve MillerAlways pleased with Rick's books. It's good to see he spends a little more time talking about hiking spots and outdoor activities.

You can count on Rick Steves to tell you what you really need to know when traveling in Portugal.With this guide, you'll explore this relaxed country at the western edge of Europe. Tour Lisbon's cobbled lanes and grand squares, reminders of Portugal's seafaring glory days. Step back into history at the palaces in Sintra and the bone chapel of Évora. Soak up the sun at the Algarve beach of your dreams. When evening comes, enjoy a dinner of fresh seafood stew, and raise a glass of port wine in a toast.Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

Steves preaches a low-cost, low-to-the-ground style that not only saves money, but gets you closer to the real Europe, the way Europeans experience it.About the AuthorSince 1973, Rick has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie.Connect with Rick:facebook: Rick Stevestwitter: @RickStevesinstagram: ricksteveseurope
