Rick Steves, Gene Openshaw : Rick Steves' Rome 2001 before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' Rome 2001:

14 of 14 people found the following review helpful. Another hit
By B. Warrick
Rick Steves' friendly, relaxed style is very appealing, and he does have a way of imparting not only WHAT you should see, but when you should see it and how you might come to enjoy it more. I also enjoy his "back door" philosophy, which makes Europe into more than just an "Epcot Center-like" attraction. His Rome guidebook is fairly small and lightweight as well, which is a plus for those who take his sage advice and pack light!
13 of 14 people found the following review helpful. A superbly presented travel guide.
By Midwest Book Review
Experienced world traveler and writer Rick Stevens brings his usual talent for personalization to Rick Steves' Rome 2000 travel guide. Rick includes the best sights and activities in Rome; friendly places to eat and sleep (heavy on character, light on the budget); walking tours of Ancient Rome (Colosseum, Forum, Pantheon, and more); self-guided tours through Rome's most interesting museums and churches; and offers suggested day plans and trip itineraries that mix famous sights with little-known discoveries. As with his twenty-two other travel guides, updates on the hotels, restaurants and sights covered in Rick Steves' Rome 2000...

By Beth Ott
Rick did a very good job on leading my family and me through the city of Rome. He gave us great new ideas on where to go and see that i had never heard of before. His book was used to choose our hotel and the fantastci places to eat. I recomen Steves to anyone trevleing abroad.

Featuring information on the best museums, the Vatican, and the Coliseum, this reliable guide covers sights, activities, restaurants, and lodgings personally visited by Steves and his staff. 94 photos. 35 maps.
