**Rick Steves : Rick Steves' Scandinavia 2007** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' Scandinavia 2007:

6 of 6 people found the following review helpful. Spotty and Sparse By J. Finan I've used some of Rick Steves' guides before and thought they were very good. Unfortunately, I purchased this one without looking inside -- if you want to go to the few places he covers, it IS very good. However, if you want to go anywhere else, you'd better look elsewhere. One example is Sweden. He covers Stockholm and the surrounding area but doesn't cover Goteborg (Gothenburg), the second largest city in Sweden. We found the same issues with Norway, etc. A more correct title would be 'Selected Parts of Scandinavia'. I came close to returning it since it didn't cover most of where we were going (Kiruna, Narvik, Gallivare, Ostersund, Goteborg...). Too bad -- I liked some of his other books... 5 of 5 people found the following review helpful. Great book - only used it for Oslo Copenhagen By R. E. Richter As with all of Rick Steve's books, it makes me wish we could do the whole 3 week tour described... but, with only ONE day in Copenhagen and a partial day in Oslo, it was still very useful. The main thing we learned was to buy the OSLO PASS and the COPENHAGEN PASS (available at the tourist booths) because it included all public transportation for 24 hours and also most admissions to things like the Viking Museum, City Hall, Nobel Peace Prize museum, the Norwegian folk museum/park etc. (Oslo) and even more in Copenhagen - the palaces, Tivoli Gardens, museums, and the buses. Loved the comment about the canal cruises in Copenhagen. If I had not read that, we would never have thought to do it. The highlight of our trip! 1 of 1 people found the following review helpful. Not too impressed - left out SW Sweden.... By carjol was hoping for some information on the southwest area of Sweden, where we will be visiting next summer, but it appears there's not much of interest, except in the Stockholm or Dalarna areas.

Who but Rick Steves can tell travelers the best way to see Copenhagen, Oslo, Stockholm, Helsinki, Tallinn, and the Norwegian fjords? With Rick Steves' Scandinavia 2007, travelers can experience the best of everything Scandinavia has to offer--economically and hassle-free. Completely revised and updated, Rick Steves' Scandinavia 2007 includes:

- \* Opinionated coverage of both famous and lesser-known sights
- \* Friendly places to eat and sleep
- \* Suggested day plans
- \* Walking tours and trip itineraries
- \* Clear instructions for smooth travel anywhere by car, train, or foot

America's #1 authority on travel to Europe, Rick's time-tested recommendations for safe and enjoyable travel in Europe have been used by millions of Americans in search of their own unique European travel experience.
