His tours take you to the places you want to see and explain the history of what you're looking at. This guide shows you the myriad of amazing things to see in the walled city of Old Dubrovnik....this city is a "must see" and was one of our best "surprises" on our recent trip. This guide makes sure you see everything there is to see in this beautifully historic city.0 of 0 people found the following review helpful. Very helpfulBy HarrietLots of information. I was particularly interested in walking the wall around Dubrovnik, and the book was very help.0 of 0 people found the following review helpful. Concise guide to Dubrovnik sights transportBy ChicMunkSnapshot Dubrovnik provides concise guide to most everything I needed to know about the sights, transportation ( bus driving) and even provided a few phrases to get around. Things like you need an international driver's license and how to get one here in the U. S.

You can count on Rick Steves to tell you what you really need to know when traveling in Dubrovnik.In this compact guide, Rick Steves and Cameron Hewitt cover the essentials of Dubrovnik, including Pelješac Peninsula, Mljet National Park, and Trsteno Arboretum. Visit Dubrovnik's main promenade known as The Stradun, or stroll the scenic mile-and-a-quarter around the city's town walls. You'll get firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket.Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves' European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

About the AuthorSince 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie.Connect with Rick:facebook.com/RickStevestwitter: @RickStevesinstagram: ricksteveseuropeBorn in Denver and raised in central Ohio, Cameron Hewitt settled in Seattle in 2000.
