Rick Steves : Rick Steves Snapshot Lisbon before purchasing it in order to gage whether or not it would be worth

my time, and all praised Rick Steves Snapshot Lisbon:

6 of 6 people found the following review helpful. It really is just a snapshot book
By Michelle Soto de Carvalho
This really is a snapshot book. I LOVE Rick Steves' travel books but this one really barely touched on Lisbon. There wasn't even a good metro map. I ended up coming back to buy the Eyewitness Travel Book. He did have snapshot in the title so to be fair, that's pretty much all the book is. Lisbon is not a snapshot city so if you're a first time visitor, buy a more comprehensive book. There's too much history and too many sites for just a skim.
4 of 4 people found the following review helpful. Great resource, but where's the Metro map?
By BBuotS
Worked well for my one day in Lisbon, at least for catching the main sights. I did the three neighborhoods walk and Belem in one day, which was no problem. I didn't find it necessary to take breaks and soak in a lot of the street scenes, so what Rick recommended be done in 3 days, I accomplished in 1. Either way, it was a great guide and handy to have on my phone when I was without internet connection. One recommendation would be for Rick to include a metro map. The metro was fantastic and only cost 6 euro for a 24 hour pass!
3 of 3 people found the following review helpful. You can't go wrong with a Rick Steves' guidebook
By jwalcott
We have bought other guide books, but always return to Rick Steves clear, concise and well laid out books. The print size is perfect for "aging" eyes. Rick makes it easy to navigate seamlessly around new cities and towns. We solved the great metro system in Porto as well through his complete Portugal guidebook which we bought after altering our itinerary. Well worth it!!! After his recommendation for vinho verde, we are enjoying this wine here in Porto.

You can count on Rick Steves to tell you what you really need to know when visiting Lisbon. In this compact guide, Rick Steves covers the essentials of Lisbon, including the Tejo River, Belém, and the Bairro Alto district. Visit Lisbon's São Roque Church, taste the world's greatest selection of ports at the Port Wine Institute, or observe art spanning 2,000 years at the Gulbenkian Museum. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket.
