Rick Steves, Steve Smith : Rick Steves' Snapshot Loire Valley before purchasing it in order to gage whether or not

it would be worth my time, and all praised Rick Steves' Snapshot Loire Valley:

1 of 1 people found the following review helpful. Another great Rick Steve's Travel GuideBy CustomerAnother great Rick Steve's Travel Guide. I did not realize the small books have the same info as the France Book which is apparently all encompassing. I bought several of the smaller guides but already had the larger one. Only reason to buy this is if this is a newer version. Now I know better. They are smaller so if you are only going to a specific area, they are good, otherwise buy the newest full version of the country that you can since you don't want to carry all of these books along with you when you fly half way across the world.0 of 0 people found the following review helpful. Great Information About the Loire Valley.By Rebecca in AshevilleThis is a slim book that will take up little space or weigh down you purse or backpack. This book it taken from the Chapters on the Loire Valley from "Rick Steves France". It has all the information you need traveling through the Loire Valley, France2 of 2 people found the following review helpful. Great book if you only have a few days to spend in the Loire ValleyBy Mark StellRick really does a great job of condensing the region into a simple, easy to follow plan. He clearly rates the must-see and should-see locations. Makes me want to go there.This is a good, but short book. Not the book for someone planning to spend a long time in the Loire Valley (weeks or months). Rick concentrates on the highlights, which makes the trip easy to plan, but can't possibly list all the things you can do if you want to spend a lot of time in the region.I always enjoy Rick's style. A good combination of practical information on travel, sleeping, and eating, combined with a great self-guided tour of the main sights. Well written and easy to read.

You can count on Rick Steves to tell you what you really need to know when traveling in the Loire Valley.Rick Steves covers the essentials of the Loire Valley, including Amboise and Chinon. Visit grandiose châteaux, such as Chenonceau, Blois, and Château d'Azay-le-Rideau. Tour the Leonardo da Vinci park and go wine-tasting in Vouvray. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket.Rick Steves' Snapshot guides consist of excerpted chapters from Rick Steves' European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

About the AuthorRick Steves has spent 100 days every year since 1973 exploring Europe. Rick produces a public television series (Rick Steves' Europe), a public radio show (Travel with Rick Steves), and a podcast (Rick Steves' Audio Europe); writes a bestselling series of guidebooks and a nationally syndicated newspaper column; organizes guided tours that take thousands of travelers to Europe annually; and offers an information-packed website (Ricksteves.com). With the help of his hardworking staff of 70 at Europe Through the Back Door—in Edmonds, Washington, just north of Seattle—Rick's mission is to make European travel fun, affordable, and culturally broadening for Americans.Steve Smith manages tour planning for Rick Steves' Europe Through the Back Door and has been researching guidebooks with Rick for two decades. Fluent in French, he's lived in France on several occasions, starting when he was seven, and has traveled there annually since 1986.
