: **Rick Steves' Spain and Portugal DVD 2000-2007 (Rick Steves)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' Spain and Portugal DVD 2000-2007 (Rick Steves):

OverviewThis is the only DVD that includes all six half-hour "Rick Steves' Europe" TV shows on Spain and Portugal, produced from 2000 to 2007: The Majesty of Madrid, Highlights of Castille-Toledo and Salamanca, Sevilla and Andalusia, Spain's Costa del Sol, Lisbon and the Algarve, and Portugal's Heartland. The running time is three hours. Filmed on location by America's most popular travel guidebook writer, Rick Steves' DVDs offer one great escape after

another, from Europe's most thrilling cities to its charming, little-known villages. These DVDs are of the highest broadcast quality (NTSC format, all region compatible), with closed-captioning. Each DVD is packaged in a durable Amaray case with on-location cover photos and complete program details.
