Designed specifically for Rick's travel audience (or users) these maps highlight choice destinations throughout Spain and Portugal in a colorful, easy-to-use format on high-quality paper that lasts over many trips:

- Cuts the Clutter: We've included the essentials for navigation. Beyond that, this map is stripped clean and filled in only with places that matter to travelers.
- Guidebook-Friendly: At a glance, all the places you read about in Rick's Spain and Portugal guidebook pop right out in a crisp, easy-to-read format.
- Rail or Road: Includes important train lines and highways (and ferry routes) for easy route-planning, no matter how you'll get around.
- The Back's Even Better: The reverse side includes colorful, detailed city-center maps of Madrid, Lisbon and Barcelona, locating sights, hotels and restaurants from Rick's Spain and Portugal guidebook.

Today's tourists are as likely to be toting Rick Steves as Giorgio Armani, tasting the good life without burning through the Kids' college fund.
