Farrol Kahn : Riga (Latvia) Visitors Guide (Landmark Visitors Guides) (Landmark Visitors Guide Riga the Beaches) before purchasing it in order to gage whether or not it would be worth my time, and all praised Riga (Latvia) Visitors Guide (Landmark Visitors Guides) (Landmark Visitors Guide Riga the Beaches):

0 of 5 people found the following review helpful. ExcellenceBy Fred KirkendollThe product was in excellent shape when I received it. The book looked as if it were new and bought right off the book store shelf.

Two hundred years ago, Napoleon called the city of Riga a suburb of London where the traditions of so many nations crossed paths. Together with Tallinn (Estonia) and Cracow (Poland), Riga is set to rival Prague as a short break destination. This work includes four tours to follow through the city.

"If you've never used a Landmark Visitors Guide, you're in for a treat. These useful guides give more than a gazetteer-style list of things to see and do. They give background information on an area and its sights. The beautiful colour photographs add interest to the guide and give a taste of what's to come.... Full colour maps in each section show the attractions and the recommended driving routes. With a Landmark Visitors Guide in hand, you don't need to plan your trip. An expert has done it all for you."
