**Collins Maps : River Thames and Southern Waterways No. 7 (Collins Nicholson Waterways Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised River Thames and Southern Waterways No. 7 (Collins Nicholson Waterways Guides):

The number 1 choice for all users of the inland waterways. This established, popular and practical guide covers the canals and waterways between Exeter and the River Thames. Waterways covered in this guide – Basingstoke Canal, Bridgwater Taunton Canal, Grand Western Canal, Exeter Ship Canal, Kennet Avon Canal, River Thames, Wey

Godalming Navigations. The detailed Ordnance Survey® maps clearly show the location of essential features such as locks, towpaths and boating facilities, as well as pubs, shops and restaurants in the area. There are comprehensive navigational notes and descriptive text on the history of each canal, and on local services and places of interest, for which postcodes are included – ideal for use with sat-navs. This practical A5 guide features 'lie flat' spiral binding and 'book mark' back cover flap for ease of reference. In print for over 40 years, the Collins/Nicholson guides to the waterways have always been a vital part of journeys along Britain's canals and rivers. These bestselling guides are designed for anyone and everyone with an interest in Britain's inland waterways – from experienced boaters to those planning their first boat trip, as well as walkers, cyclists and visitors.

"Taste in guide books can be a very personal thing, but few serious boaters will venture out without a Nicholson's Guide. There is a wealth of information that even the most experienced cannot hope to keep abreast of, and the guides are welcome valuable for cyclists and walkers too." The Inland Waterways Association.
