AA Publishing : Road Map Provence French Riviera (Road Map France) before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Map Provence French Riviera (Road Map France):

3 of 3 people found the following review helpful. The map would be adequate if you intend to stay ...By Judy Hikes
The map would be adequate if you intend to stay on main roads. It didn't have enough detail for our purpose, exploring the hill towns of Provence. Next time I'd look for a map that covers a smaller area and includes more detail.
0 of 0 people found the following review helpful. Five StarsBy Jacqueline L. French
Just what we were looking for.

Produced in association with IGN—France's national mapping agency, this slim line, durable map has been fully updated, combining clear design and an easy-to-read scale with more road detail to ensure that you never lose your way. The map also includes information on toll points, service areas, road numbers, motorways, dual carriageways, and local roads. National Parks, ski resorts, visitor attractions, and towns of interest are also highlighted.
