**Daniel B. Smith : Romania: 2017 tourist's guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Romania: 2017 tourist's guide:

0 of 0 people found the following review helpful. ... version of a travel guide but it worked out wonderfully. I have read the parts of the book ...By JackI wasn't sure about getting a Kindle version of a travel guide but it worked out wonderfully. I have read the parts of the book I planned to visit before leaving so I knew what information was where.It was so nice to just carry a light weight kindle--I could also use it for reading novels on the train or at cafes.I had a wonderful time in Romania. And the whole trip was remarkably smooth.0 of 0 people found the following review helpful. Not at all what I expectedBy CorinaI haven't spent much time reading the actual information, but the

quality of the pictures inside was terrible. It looked like pictures were taken off google and pasted inside the book. I don't know about the kindle version, but the paperback is definitely not worth the money. 0 of 0 people found the following review helpful. Don't waste your time or money  
By Michael Kanevsky  
Calling this a guide, is an overstatement - extremely short and useless pieces of information for each region. Even the region maps are not scaled enough to be displayed properly. Even open-source resources like wikitravel have much more useful information structured better than this book. A waste of time.

This book addresses tourists and people who want to know more information about Romania. The guide is organized into 46 main chapters, each presenting corresponding county and some "need to know" advice. This book teaches you general knowledge about traveling and will also get you familiar with Romanian cuisine. Please keep in mind that there are many to be discovered by yourself. You will find basic information about the main tourist attractions, pictures of them, accommodations for each country and useful routes for your journey. Have a great holiday!
