happen to be relevant, but it was a good primer about Romanian culture and history. I'm giving it 5* because it delivers what it intends. Not a page turner, not a book to read if you're not on your way to Romania, but worth reading if you are. 0 of 0 people found the following review helpful. Five Stars By moiLOVE IT 0 of 0 people found the following review helpful. Great overview By Robert L. Shearing, M.D. This should be required reading for anyone looking to visit the country. It gives a great overview of the people, the politics and the different cities and villages. I was happily surprised that it also gave an overview of the language and provided some basic vocabulary as well.

Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and society of a particular country. It will help you to turn your visit—whether on business or for pleasure—into a memorable and enriching experience. Contents include: * customs, values, and traditions * historical, religious, and political background * life at home * leisure, social, and cultural life * eating and drinking * do's, don'ts, and taboos * business practices * communication, spoken and unspoken "Culture Smart has come to the rescue of hapless travellers." Sunday Times Travel "... the perfect introduction to the weird, wonderful and downright odd quirks and customs of various countries."
