Reise Knowhow : Romania before purchasing it in order to gage whether or not it would be worth my time, and all praised Romania:

Romania Moldova 1:600 000 Travel Map, waterproof, GPS-compatible, REISE, 2011 edition This map is waterproof and tear-resistant, durable enough to survive time spent in the rucksack, pocket or on a restaurant table. The area's topography is presented by altitude colouring with contours, spot heights, mountain passes and names of mountain ranges. Road network includes unsurfaced local roads and tracks, and indicates driving distances on main, secondary and some local roads. Railways are also shown and internal administrative boundaries are presented with names of the provinces. Symbols highlight various places of interest, including national parks and nature reserves, viewpoints, churches and monasteries, campsites, beaches, etc. The map has and a latitude and longitude grid at intervals of 30', plus an extensive index of localities. Multilingual map legend includes English. High quality German cartography.
