**Dennis Deletant, Yvonne Alexandrescu : Romanian Travel Pack (Hugo)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Romanian Travel Pack (Hugo):

This is a cassette, phrase book and mini dictionary presented as a pack for the study of Romanian. It is intended to meet the needs of tourists and business travellers to enable them to understand signs and instructions and answers to their questions. It also includes a list of hundreds of dishes so that they know what they are eating. The dictionary is for checking phrase-power and reference.
