Vittorio Serra : Rome: 2000 Years of History and Masterpieces before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rome: 2000 Years of History and Masterpieces:

With a special chapter devoted to the newly restored Sistine Chapel, this guide to Rome covers the forums, the churches, the museums, the monuments, the fountains, the Vatican, Tivoli and the Ostia Antica. The text describes the historical background of each major site.
