Rome a photographic tour is a captivating travel photography book dedicated to Rome, Italy, a city with a unique history. This photo book guides the reader through Rome's cultural life, the history, the architecture and the colors of this ancient city. It contours the portrait of the Italian "eternal city", in a visual way, through stunning high-resolution photographs, including 2 pages spreads, arranged in a fascinating tour book. Rome a photographic tour is both a picture book and a travel guide. Each photograph is accompanied by descriptive text about the landmark or place depicted in the image. The profile of Rome is thus constructed both through pictures and informative text creating the complete portrait of the city that has fascinated people for centuries. The photos capture the spirit, the essence and the magic of both ancient and modern Rome. This photo album will take you to a city of breathtaking beauty, will guide your steps through the labyrinth of small streets from the city center and will give you inside information about the most famous landmarks found here. Rome a photographic tour is a remarkable photo guide suitable for both the tourist planning to visit Rome and the visitor that just returned from the trip. It makes for a wonderful photography book in any library and an interesting coffee table book. It entertains and guides the reader on an imaginary trip to the city of Rome. If you like traveling, photography and ancient history, this book is for you!

"ROME - A photographic tour: 122 amazing photos by Alexandru Ciobanu takes the reader on a tour through Rome as the title suggests. It is filled with stunning photos of the city that has fascinated people for many centuries. The quality of the photos is fantastic, and I can see that the person who took them knows his job as a photographer. The photos capture the essence and magic of ancient Rome very well, but also show that the city has a vibrant energy to it." - Reader's Favorite
