David Willey : Rome (A Rand McNally pocket guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome (A Rand McNally pocket guide):

1 of 1 people found the following review helpful. Rome Pocket-size BookBy ubaluSmall in size for travel, there is a 5 page history of Rome, many spectacular color photos with descriptions, and a detailed map. The map may be somewhat out-dated, but the information on ancient monuments will never be old. Excellent book to use as a guide when visiting Rome. Easy read.
