**James Kavanagh : Rome: A Simplified Reference to Attractions, Dining Public Transit (City Easy Travel Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome: A Simplified Reference to Attractions, Dining Public Transit (City Easy Travel Guides):

A perfect complement to bulky, book-sized, travel guides, this lightweight, easy-to-use reference is handy to have while sightseeing in Rome. It provides a synopsis of the top attractions, stores, restaurants, entertainment venues, and transit systems, and maps throughout demonstrate where various locations are in relation to one another. Also, most directions are based on subway stops, thereby encouraging travelers to rely on Rome's most efficient method of public transportation.
