**loretta Santini : Rome and Vatican: New Coloured Guide Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome and Vatican: New Coloured Guide Book:

0 of 0 people found the following review helpful. Best book on Rome.By texascroweThis book was very helpful to me in planning my trip to Rome. I will never be able to see everything I would like to be able to visit and understand. It is helpful to read about the major items to gain understanding before seeing the wonder that is Rome.
