Ros Belford, Olivia Ercoki : Rome (DK Eyewitness Travel Guide) before purchasing it in order to gage whether or

not it would be worth my time, and all praised Rome (DK Eyewitness Travel Guide):

This Millennium edition travel guide features Rome at its best and helps to bring to life Rome's beautifully restored sights in the Museo Nazionale Romano. It highlights information on hotels, bars, shopping areas and restaurants. Included is a survival guide which shows you how to use local currency, public transport and telephones. As in other books in this series, there are star sights in each area and star features in each major sight to help you know what to look for and how to make the most of your time.
