**Natasha Foges : Rome Eat!: Great Meals Wherever You Are (Where to Eat Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome Eat!: Great Meals Wherever You Are (Where to Eat Guides):

Want to steer clear of tourist haunts near the Vatican? Find a place loved by locals near the Coliseum? In one of the great tourist destinations of the world, finding a good meal is never difficult—but getting off the beaten path sometimes takes some doing. From the miraculous pasta to the gelati, Rome Eat! steers readers to the best bets in every neighborhood. And the price for the book is little more the price of a map alone.
