**From Monaco Books : Rome Fascinating Cities** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rome Fascinating Cities:

Richly illustrated with stunning photographs and engaging bite-size texts, this new series gives a revealing insight into the diversities and attractions of the world's most fascinating cities. A comprehensive timeline provides a colourful account of the key events and influential people that have shaped the city, giving readers a real sense of what makes each destination what it is today. Packed with practical information, street plans, travel tips and key websites. ? Spectacular images and absorbing facts provide a revealing insight into vibrant world cities ? Historical timeline and up-to-the-minute travel tips ? An armchair traveller's essential guide or the perfect gift and souvenir
