Metropolis : Rome for less - Compact Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome for less - Compact Guide:

DisappointedBy VisterHaving previously purchased the "London for Less " and "Paris for Less" guides, I assumed the one for Rome would be just as good. WRONG! They don't tell you in the description that there is no card included - just a few measly coupons in the back that are expired - and aren't of any interest anyway. The card in the London and Paris issues were great. You date them the first day of use and they're good for 7 days. Really saved on the tourist sights and many restaurants.

Covers a popular European or North American destination and contains coupons that enable visitors to obtain big discounts at the top attractions and museums in each city. These discounts - usually 50% or 2-for-1 deals - ensure that each book can pay for itself in one day. A fold-out map, which includes a vicinity map and a detailed street index and links to the 100 pinpoint maps in each guide, makes getting around easy.
