By Cathy Juntura Rome's a terrific area to visit. There's so much interesting history, but it'll be tough to get by without speaking some Greek! Fortunately, I purchased this book, and I feel comfortable speaking with street vendors and guides with the phrases provided. The phrases are accurate, and they're tailored to travelers. Very worth it!

About the Author I am a language fun and polyglot traveling the world to meet fascinating people and getting to know incredible places and customs. I find nothing is more rewarding than practicing languages with others, getting new friends and meeting new cultures and customs. Probably you feel the same way. As I keep learning new languages I realize that each one opens up a whole array of new experiences and a new way to look at the world. I decided to write about my experiences to share them with other people and to transform my lifestyle into a way of making a living. I hope I will be able to transmit my passion for languages and for people to those travelers who find that an unknown foreign language is a barrier hard to get by. I know how it feels and hope will be able to help travelers to get the most of their journeys. Journeys are life transforming experiences! Thanks for reading my books!
