Rome, from the Palatino to the Vaticano

Leonardo B Dal Maso
*ePub / *DOC / audiobook / ebooks / Download PDF*

1980 Binding: Unknown Binding 143 pages | File size: 79.Mb

Leonardo B Dal Maso : Rome, from the Palatino to the Vaticano before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome, from the Palatino to the Vaticano:

Good, especially for a 1980 edition. Minor signs of wear; firm covers and pages. Printed in Rome - tourist edition with many color photos.
