**Douglas E Morris : Rome Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome Guide:

1 of 1 people found the following review helpful. Get Off the Tour BusBy Steve CechRome wasn't built in a day, and it's best to take your time when touring there. Morris provides those visiting the Eternal City with an in-depth perspective that you can't typically find in most travel books. If you're looking for well-written and truly insightful guide into one of the world's great cities, the Rome Guide will not disappoint.

A guide for the independent traveller to Rome, and the adjacent marvels of southern Italy. It starts by describing a choice of over 100 hotels and restaurants in the city, from deluxe establishments through to simple, inexpensive places offering wonderful value. All are described in detail and are accompanied by a guide to Roman cuisine and wine. The guide then moves on to the sights and the author takes the reader to the Rome of the Caesars and Michelangelo. He describes relaxing journeys through the streets, piazzas and alleyways of the Eternal City taking in each architectural marvel waiting around each corner and then setting it within its historical background. The guide also contains a number of excursions from the city, including Naples, the Amalfi Coast, Bari, Capri, Ischia, Lecce and Sicily. All of these receive the same thorough treatment, with coverage of local sights, hotels and restaurants.

About the Author Douglas Morris is the author of Open Road's Italy Guide. He is a professional travel writer, based in Washington, DC.
